

DRIVEN TO BOWL

2023 ACCESSORY CATALOG

grip it and rip it™

Our 4-N-1™ inserts are offered in several different style combinations and textures. Patented features like the **glue channel** on the outside surface of each insert aids in cleaner installation and preventing glue from seeping to surface of the bowling ball. Helpful **size indicators** can be found on the outside and inside of each insert. All inserts have a Durometer 40 Shore A hardness unless otherwise indicated.

Custom Thumb by Pro Edge Products

Think of Custom Thumb as a copy machine for thumb holes. Custom Thumb is a unique molding process that captures the exact shape and size of any thumb hole including the shape of the beveled edge. Each mold is as individual as your thumb print. Ask your local pro shop professional for more details and whether Custom Thumb is right for you.

Single sheets
available.
Great for vending
machines.

Strike Wipes

Keep your ball in striking condition by quickly and easily removing surface grime such as lane oils and belt marks with convenient and disposable Strike Wipe cleaner sheets.

Shur Cushions™ – Ease

Special density foam of each Shur Cushion™ adjusts to size and shape of your thumb to create the perfect fit. Varieties of thickness: 1/8", 1/4" and 3/8". Approx size: 1 7/8" l x 7/8" w.

Shur Hook™ Cork Tape – Texture

Made from cork, Shur Hook™ tape strips add a subtle and unique texture to your grip when inserted into thumb or finger hole. Approx size: 1 7/8" l x 7/8" w.

Shur Out™ Tape – Release

Ditch the messy, powdery release products for Shur Out™ tape strips to ensure quick, clean release. Approx size: 1 7/8" l x 7/8" w.

wrap it up

Unlike traditional bowling tapes, Skin Protection and Fitting (SPF) Tapes are **worn on the fingers or thumb** and can be applied in a variety of ways to modify release, ease grip tension and adjust hole size without major changes to ball drilling. SPF Tapes will also reduce or eliminate discomfort caused by calluses, blisters and cuts.

Handy Blade

- All purpose utility knife
- Remove and insert bowler's tape

Scissors

- Stainless steel
- 5 1/2" blade

Gamer Grip™ Dry Hand Formula

A great solution to keep your hands dry and improve grip. Your only option prior to Gamer Grip™ was a messy rosin bag, which leaves a residue and chalk everywhere including your clothes. Avoid chalk and mess forever with Gamer Grip™. Can be used prior to applying skin protection tapes to improve adhesive or without tape. Used and endorsed by professional athletes and e-sport pros, Gamer Grip™ is an essential addition for all top-tier performers. Blocks sweat for up to 4 hours. Non-sticky, feels naturally dry. No residue.

Tape Storage Case

- Conveniently holds up to 30 pcs of Pre-Cut Fitting Tape or Grip Strips Bowling Insert Tape (see page 11)
- Color: Black

look on the **bright** side

Dry Towel

Leather shammy – remove oil from any bowling ball surface to maintain a natural surface texture during competition. Removing oil using a dry towel during competition and regularly cleaning after competition (See Strike Wipes pg. 7) is the 1-2 punch in keeping your bowling ball in striking condition.

5 colors: Green, electric blue, pink, red and orange

Rev™ Wrap

- Provides support
- High quality neoprene material
- Helps maintain body warmth keeping muscles loose
- Stretch design for added comfort
- Easy Velcro strap adjustment

4 colors: Electric blue, green, orange and pink

SIZE CHART

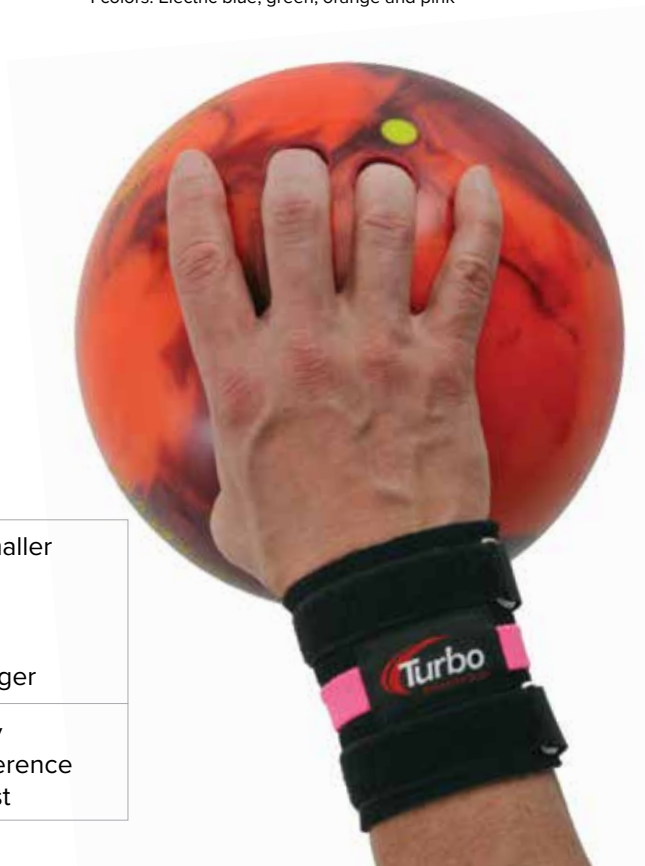

Small	6" or smaller
Medium	6-7"
Large	7-8"
XL	8" or larger
Size determined by measuring circumference of the bowler's wrist	

Grip Smart™ Ball

HyperRX® Elbow Stabilizer

HyperRX® is a 'one of a kind' performance device to help correct or prevent hyperextension of the elbow. HyperRX® helps stabilize the elbow keeping it in a correct linear position to the shoulder and wrist helping to create more axis rotation and HOOKING POWER. Includes (2) removable stabilizing cushions to help adjust fit.

- Increase arm swing leverage
- Increase hook potential
- Support proper arm position
- Improve accuracy
- Use as a training aid or during competition
- Easy to apply

One Size
Color: Silver

Turbo "Rev"

- Non-traditional finger insert
- Worn on the index finger; more axis rotation
- Worn on pinkie finger; reduce axis rotation
- Protection from discomfort
- Available in Yellow and Clear Ice™
- Sizes: S, M, L, XL
- See website for size fitting chart

Bullseye Wrist Support System

- 3-piece, interchangeable component construction
- Light weight, high strength aluminum bracing
- Full grain leather

Sizes: Small (left or right-hand) and large (left or right-hand)
Color: Gold

Wrist Restrictor

An easy-to-use training aid worn to restrict or enhance wrist rotation during bowling release. Helps correct over-rotation or back-up release. 3 pcs: Arm Band, Glove (Universal LH or RH), and Strap.

Wrist Guard

Supplemental support to help relieve stress associated with repetitive strain and overuse injuries.

- Absorbs sweat
- Flexible Neoprene
- Hook & loop Velcro strap
- Color: Black
- Sizes: S, M, L, XL

durable and stylish
